Real Ales and Traditional Ciders

The Fleece Inn takes great pride in its wide selection of Real Ales and Traditional Ciders. As an avid supporter of CAMRA we ensure our real ales are of the best quality and our choice of 5 cask ales are regularly changed.

Amongst our choice of 5 cask ales we serve:

Wye Valley Bitter 3.7% ABV

Brewed using Maris Otter and Crystal malts together with locally grown Target and Goldings hops, Wye Valley Bitter has a delicate hoppy aroma leading on to a full malty flavour and ending in a crisp, clean bitter finish.

Uley Brewery Pigs Ear 5% ABV

CAMRA's Champion Beer of Gloucestershire 2007. Deceptively strong Pale Ale that is eminently quaffable. A pale-coloured beer with a light hop balance leads to a hoppy, fruity aroma and smooth, finish. A wolf in sheep's clothing!

Cider & Scrumpy

If you prefer a nice cold pint of traditional cider the Fleece Inn offers a selection of 4 Scrumpy's at all times. Often the following Scrumpy's can be found on our pumps;

Thatchers Cheddar Valley 6% ABV

The colour of this unique cider gives it a vibrant character all of its own for those who want an alternative refreshing drink with a touch of natural sparkle.

Thatchers Heritage 4.9% ABV

Heritage is a popular, traditional cider - it really looks and tastes like a 'proper cider' but you'll find its light touch and balanced flavours offer a drink that appeals to all comers.

The Ark 6% ABV

Verging on dry with a crisp taste of the cider apples from which it was made collected from the Malvern hills area. Made by the landlord at the Fleece Inn.

Did you know our thatched barn is available for weddings, parties and meetings and music?
